

THE *Standard* BANTAM TRACTOR

BEAUTY AND DESIGN

you can see

MECHANICAL WORKABILITY

you can trust

The Standard Bantam is simply a small edition of a big tractor. It provides power for every purpose around the farm and home. Twenty-five years of experience in manufacturing to rigid standards of workmanship and performance are back of this product. Honestly built—soundly engineered—fully guaranteed, the Bantam will give years of safe, trouble-free service.

Write for circular on accessories not shown, such as Cultivator, Disc, Spiker and Sweeper.
